ABOUT US

Lattza Coffee Trading LLC. is one of the leading players in the import, retail and wholesale of vending machines, premixes and coffee beans, in the Middle East and Asia. With a dedicated R&D team that works using cutting edge technology and innovative ideas to design and manufacture superior quality products, Lattza has been synonymous with quality and authenticity in the coffee trade. This strong adherence of ours towards quality and authenticity has also given us an unassailable competitive edge.

With our superior quality coffee products, you can make each of your coffee breaks effortless and enjoyable. Our expertise in this field enables us to procure only the best products in the market that can make every sip of yours magical. We are driven by passion and innovation that helps us serve you better.
